

HANNES HARRS

October 2004

TO WHOM IT MAY CONCERN

I enlisted the services of Growgraphics about three years ago in order to set up a web page for myself as a resource for art galleries and prospective customers.

I felt that they provided an excellent, competitive service and am very pleased with the results. Growgraphics were very helpful and professional at all times and produced an interesting, cost-effective and attractive page.

I can happily recommend their service!

Yours truly,

A handwritten signature in black ink, appearing to read 'Hannes HARRS', written in a cursive style.
